Fountain of Justice

- [book] Human law and human justice
  J Stone - 1965 - books.google.com
  § 1. Relation of this Work to The Province and Function of Law. This is the second of three works in which we have sought to survey critically the contemporary problems within the field of jurisprudence. Its purpose is to take stock of that component of legal ordering to ...

- [book] Edmund Burke and the natural law
  PJ Stanlis - 2015 - books.google.com
  Today the idea of natural law as the basic ingredient in moral, legal, and political thought presents a challenge not faced for almost two hundred years. On the surface, there would appear to be little room in the contemporary world for a widespread belief in natural law. ...
