

APC Report: Oct. 8, 2021

APC met on September 28, 2021. Peter Reader and Philip Moremen are the Committee Co-Chairs for this academic year.

APC has before it a proposal from SHMS for a Bachelor of Science degree in Interprofessional Health Sciences and a proposal for a new dual degree 3+2 program track linking the Bachelor's degree with an already existing master of Science in Athletic Training. APC is gathering additional information to provide context for its discussions.

The EC has referred the revision of the University student evaluation form to APC and APC is organizing a sub-committee to draft a proposal in time for use in the Fall, 2022 semester.

Respectfully submitted,

Philip Moremen and Peter Reader, Co-Chairs
