

APC Report: February 18, 2022

At its February 14th meeting, APC discussed and approved:

- the SHMS proposed B.S. in Interprofessional Health Sciences (11-1),
- the SHMS proposed Dual Degree Program in Interprofessional Health Sciences and Athletic Training (11-1), and
- a Proposed 3+2 Dual Degree Program for a B.S./B.A. in Physics with an M.S. in Data Science (11-0) from the Departments of Physics and Mathematics and Computer Science.

All of these proposals are posted along with this report.

Accordingly, APC submits the following resolutions for the Senate's consideration:

Draft Senate Resolution. Resolved: the proposed B.S. in Interprofessional Health Sciences is approved.

Draft Senate Resolution. Resolved: the proposed Dual Degree Program in Interprofessional Health Sciences and Athletic Training is approved.

Draft Senate Resolution. Resolved: the proposed 3+2 Dual Degree Program for a B.S./B.A. in Physics with an M.S. in Data Science is approved.

On another front, APC's subcommittee on revising the university's student evaluation forms has been meeting and is proceeding on schedule to provide a recommendation to the APC and then to the Senate in time for its April meeting.

Respectfully submitted,

Philip Moremen and Peter Reader, Co-Chairs
