

## **Compensation and Welfare Committee Report**

February 2022

The C&W committee met once in January and once in February. Minutes from the Budget Committee were shared with the C&W Committee. The committee did not discuss the onboarding and payments information.

The committee has not received an update on the questions asked regarding benefits. A resolution was developed and will be brought to the next meeting.

The committee also developed a subcommittee to work on one of the Senate's charges to C&W, namely "to develop a list of comparison schools in preparation for the forthcoming salary study".

There was a lack of volunteers for the second charge, that is, "to research the possibility of university sponsored/subsidized daycare for faculty members," so please reach out to the Co-Chairs if you are interested.

Finally, the committee developed a motion requesting some financial documents and other information.

Respectfully Submitted,

Sona Patel and Roseanne Mirabella
