

APC Report: May 20, 2022

APC met on May 16 and made the following decisions.

Minor in Muslim-Christian Relations. By a vote of 8-0, the Committee approved the proposed from the Religion Department. The proposal is posted concurrently on the Senate agenda

Joint Degree in Nursing Administration and MBA. APC previously approved, by a vote of 10-0, a proposed Joint Degree Program in Nursing Administration and a Master's of Business Administration, pending receipt of some signatures on the Signature Approval Form. APC has now received those signatures and so passes on the proposal for consideration by the Senate. The proposal is posted concurrently on the Senate agenda.

Teaching evaluations. Tt the last Senate meeting, APC proposed for Senate consideration a motion to endorse recommendations for implementation of teaching evaluations. The Senate remanded the proposal to the committee to provide further background. On reconsideration, the Committee decided that the recommendations should be considered recommendations for faculty development and so will forward them to the Faculty Development Committee.

Accordingly, APC submits the following resolutions for the Senate's consideration:

Resolution: Be it resolved that the proposed minor in Muslim-Christian Relations is approved.

Resolution: Be it resolved that the proposed Joint Degree in Nursing Administration and Master's of Business Administration is approved.

Respectfully submitted,

Philip Moremen and Peter Reader, Co-Chairs
